1. Scope of Work

Project Title: AI-Powered Learning Management System for K-12 Schools

Project Objective:
The objective of this project is to develop an AI-powered learning management system (LMS) specifically designed for K-12 schools. The system will leverage Node.js as the backend technology to handle the server-side functionalities and ensure efficient data processing and management. The LMS will incorporate advanced AI capabilities to personalize learning experiences, track student progress, and provide valuable insights to educators and administrators.

Project Deliverables:
1. Fully functional Node.js backend for the AI-powered learning management system.
2. Integration of AI algorithms and machine learning models to enhance the system's capabilities.
3. User authentication and access control mechanisms to ensure secure user interactions.
4. Database design and implementation to handle student profiles, course materials, assessments, and progress tracking.

5. API development for seamless communication between the backend and frontend components.
6. Documentation outlining the system architecture, API endpoints, and guidelines for future maintenance and development.

Project Tasks and Activities:
1. Requirement gathering and analysis to define the scope and functionalities of the backend system.
2. Design and development of the Node.js backend, including API endpoints and data models.
3. Integration of AI algorithms and machine learning models to personalize learning experiences.
4. Implementation of user authentication and access control mechanisms.
5. Database design and implementation for efficient data storage and retrieval.
6. Development of API endpoints to facilitate data communication with the frontend components.
7. Testing and quality assurance to ensure system stability, performance, and security.
8. Documentation of the backend system, including architecture, API documentation, and maintenance guidelines.
9. Collaboration with front-end developers, UI/UX designers, and other stakeholders to ensure seamless integration.

Project Constraints and Assumptions:
1. The project will follow an agile development approach, allowing for iterative development and flexibility in requirements.
2. The system will be compatible with modern web browsers and scalable to handle increasing user loads.
3. The development team will have access to the necessary APIs, data sources, and other required resources.

4. The project timeline and deliverables may be subject to change based on stakeholder feedback and evolving requirements.

Project Stakeholders:

- Praxeum Limited
- Chief Technology Officer
- Product Manager
- Frontend Developer
- Backend Developers
- UI/UX Designers
- K-12 School Administrators
- Educators and Students

This Project Scope serves as an initial outline and may require further refinement and elaboration during the project planning phase.

3. Term and Termination

1. This Contract shall commence on 01/06/2023 and shall continue until the completion of the Project or until terminated by either party in accordance with the terms herein.
2. The Contract may be terminated by either party with a written period of 14 days to the other party.
3. The Company reserves the right to terminate this Contract immediately for just cause, including but not limited to breach of Contract, gross misconduct, or failure to perform assigned duties satisfactorily.

4. Compensation

1. The Developer shall be entitled to a monthly payment of #100,000 Naira as compensation for services rendered.

2. As an additional incentive, the Developer shall be granted a vested equity share of 10,000 shares in the Company. The terms and conditions of the equity share are subject to an Equity Agreement clause below.

5. Equity Agreement

5.1. Grant of Equity

- Subject to the terms and conditions of this Agreement, the Company hereby grants the Developer an equity share of 10,000 non-voting shares (the "Equity Share") in the Company.

5.2. Vesting Schedule

1. The Equity Share shall vest over a period of 4 years with a probation cliff at the end of the first year and monthly vesting thereafter equivalent to the monthly shares divided by 36 months.
2. The Developer's rights to the Equity Share are subject to continued employment with the Company. In the event of termination or resignation, any unvested portion of the Equity Share shall be forfeited.

5.3. Exercise of Equity

1. The Developer may exercise their rights to the vested portion of the Equity Share in accordance with the procedures set forth in this Agreement.
2. The Developer may exercise their equity rights by providing written notice to the Company, specifying the number of shares to be exercised. The Company shall then issue the corresponding shares to the Developer.

5.4. Restrictions on Transfer

1. The Developer agrees not to sell, transfer, assign, pledge, or otherwise dispose of the Equity Share or any portion thereof without the Company's prior written consent.

2. In the event of the Developer's death, any vested portion of the Equity Shares shall be transferred to the Developer's designated beneficiary or estate.

5.5. Rights and Privileges

1. The Developer, as a shareholder, shall be entitled to all rights and privileges associated with the ownership of his class of Equity Share, including dividends, and distributions, in accordance with the Company's bylaws and applicable laws.

6. Non-disclosure Agreement

1. The Developer acknowledges and agrees to maintain strict confidentiality and shall not disclose any confidential information including but not limited to, trade secrets, or proprietary information, designs, business plan, internal communication, intellectual property belonging to the Company or obtained during the course of employment. This obligation shall continue even after the termination of this Contract.

7. Non-compete

1. The Developer shall not, directly or indirectly, engage in any activities that compete with the Company's business or involve a conflict of interest during the term of this Contract.

8. Entire Agreement

1. This Agreement constitutes the entire agreement between the parties with respect to the Equity Share and supersedes any prior agreements or understandings, whether written or verbal, relating to the subject matter herein.

9. Governing Law and Jurisdiction

1. This Agreement shall be governed by and construed in accordance with the laws of Akwa Ibom state of Nigeria. Any disputes arising out of or in

connection with this Agreement shall be subject to the exclusive jurisdiction of the courts of Nigeria.

IN WITNESS WHEREOF, the parties hereto have executed this Employment Contract as of the date first above written.
